S I R:

SECOND AMENDMENT AND RESPONSE TO
NOTICE OF NON-COMPLIANT AMENDMENT

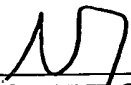

This communication is responsive to Notice of Non-Compliant Amendment mailed to applicant on July 7, 2004, responsive to applicant's amendment document which filed a preliminary amendment of claims. First, applicant confirms that he has previously filed a formal set of drawings with the original preliminary amendment filed on June 23, 2004.

The Notice of Non-Compliant Amendment indicated that applicant did not include original claims 1 - 45 which applicant indicated were canceled in full. The non-compliant amendment indicated that applicant had canceled claims 1 - 45 in the set of new claims filed under the preliminary amendment (but applicant had not attached claims 1 - 45) and therefore, applicant now attaches a new preliminary amendment which clearly cancels claims 1 - 45. New

claims 46 – 105 are again included. Applicant has now also attached original claims 1 – 45,
which are the canceled original claims.

Respectfully submitted,

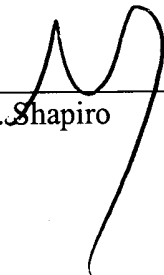

Date: 7-19-04
